3 Most Important Things to Remember About Us

1. The PMO is the command's point of contact for issues and coordination involving host nation military/civilian police and US military police.

2. The 95th MP battalion provides the MP support for missions assigned to the 21st TSC in addition to theater-wide US customs, local law enforcement, and US prisoner confinement support to the EUCOM area of responsibility.

3. We are a theater level PMO focused on theater level operations. The BSB PMO and Air Force Security Forces provide local community law enforcement.
